 - III. Book is the superclass, GraphicNovel is the subclass
- A. I only
 - B. II only
 - C. III only
 - D. I and II only
 - E. I and III only

AP Exam Prep

Think of an example of inheritance in your own life. What is the superclass? What is the subclass?

Response:

Extra Practice

Do This: Building off of your superclass and subclass example from the previous question:

1. Write the class header for your superclass.
2. Write the class header for your subclass.
